ADVERTISEMENT

The National Centre for Parasitology, Entomology and Malaria Control (CNM), has been implementing a strengthened and comprehensive malaria program since 2004 through a series of grants received from the Global Fund for HIV/AIDS, TB and Malaria (GFATM). The UNOPS as the Principal Recipient for the Regional Artemisinin Initiative and New Funding Model Grant received funding from the Global Fund to collaborate closely with CNM in the malaria fight. CNM is designated as the Principal Implementing Partner (PIP) for the program of Regional Artemisinin Initiative 2 Elimination in Cambodia. CNM, in collaboration with UNOPS and other partners, endeavours to ensure more effective decentralized malaria control operations at provincial and operational district levels and bring down the malaria related morbidity and mortality in the country.

CNM is seeking qualified and experienced candidates to fill the following position. Detailed position descriptions are available at <http://www.cnm.gov.kh/index.php?action=ID24>
