

## Annex 8: Position Description

### Principal Implementing Partner Position Description

Position Title	Village Malaria Worker (VMW) Officer	Grade	
Bureau/Department	Programme/Technical Bureau		
Reports to	VMW head of Unit		
Background/Main Role of Position	<p>The National Centre for Parasitology, Entomology and Malaria Control (CNM), has been implementing a strengthened and comprehensive malaria program since 2004 through a series of grants received from the Global Fund for HIV/AIDS, TB and Malaria (GFATM). The UNOPS as the Principal Recipient for RAI Grant received funding from the Global Fund to collaborate closely with CNM for the Malaria Control Program. CNM is designated as the Principal Implementing Partner (PIP) for the program of Regional Artemisinin Resistance (RAI) with effect from 2015-2016. Currently the strategy covers more than 2000 remote villages and may be further scaled up to cover the entire population at malaria- risk in line with the National Strategic Plan for Elimination of Malaria (NSPEM, 2011-2025).</p> <p>Under the guidance and supervision of the VMW head of unit the VMW Officer will perform the following functions:</p>
